About ISHWAR

ISHWAR has brought the benefits of modern technology to the physically challenged and under-privileged citizens of our Nation, since 1995. The Society is Registered under Section 52 of PWD Act, 1995.

We believe in creating real and lasting opportunities for children and young people with disabilities, so that they also can achieve their potential . So far, we have been able to assist thousands of children and adults by providing them with artificial limbs. We work together at one of our permanent Artificial Limb Centres or at one of our Limb Fitting Camps which take place across the country.

ISHWAR has also provided educational scholarships to a large number of children whose parents do not have the means to further their education.

Why Contribute?

By assisting and being part of ISHWAR you, as an individual or a representative of a company, will be fundamental in developing the life opportunities of some of the most disadvantaged members of our society.

Education and other life enhancing opportunities are not available to many. And this is made even harder when a limb or limbs are missing.

With your contribution, you will be enabling a child with a limb missing to make an invaluable start in the right direction of realizing their potential and making their own positive contributions to our society.

It is in all our interests that this happens for a mutually successful future.

Many thanks for your help

SOME OF THE WAYS YOU CAN CONTRIBUTE

Assist us to get land/ building in other areas and cities so we can open more Artificial Limb Centres.

Please pass on your information about **ISHWAR** to friends and relatives to help spread awareness of **ISHWAR's** Work.

You can sponsor a physically challenged person for fitment of a limb.

You can send us a donation by any of the following methods :

Cheque and DD in favour of ISHWAR (to our address below)
